VC ART CAMP 2023

Calling all art makers—save the dates for this summer's VC Art Camp!

This summer will mark our **15th year** of making art and making memories with our local young artists. We have such a joyful time sharing our love of art and we are always thrilled to see our returning campers and meet new artists each summer.

During our one or two-day workshops young artists will make a single magnificent project along with minor "practice" works to test out techniques. This will give our campers a concentrated focus on specific media and methods, with a goal of completing developed finished pieces by the end of the workshop. Camp fees are outlined below and determined by the time and materials necessary for each workshop. Projects will be geared for each age group at their specific times to aid in targeting methods for the different levels and abilities of our artists.

1 AND 2 DAY WORKSHOPS

—ages 5-8 from 9-11am & —ages 9-13 from 1-3pm

CAMP FEES:

\$50(1 DAY WORKSHOP) OR \$85(2 DAY WORKSHOP)

All works will be completed on day 2 and then fired in our kiln. Parents will be contacted when finished works are available for pick up (approx. one week after workshops).
